

Monarch Trauma Counseling Center

A Safe Place to Grow and Change

Goal: To provide comprehensive assessments and treatment to abused/traumatized children and their families

Mission: To help families reach their full potential even when dealing with traumatic events.

Therapists: Master level therapists specifically trained in evidence-based trauma-focused treatment. All our therapists have many years of clinical experience.

Services: assessment for sexual abuse, sexual abuse specific treatment, trauma assessment and treatment, individual therapy, family therapy

Turning Point Child Advocacy Center partners with Monarch Trauma Counseling Center to provide trauma-focused counseling adapted to meet the needs and developmental levels of children and adolescents. Counseling services through Monarch are at no cost to the family.

If you would like counseling services for your child(ren), please contact our Advocate to complete the referral process.
